Dear Soccer Fans,

Another big weekend ahead for Sacramento's only USSF Academy teams at Del Oro High School in Loomis:

**Saturday February 26th**  
So. Cal's Arsenal  
1pm (U18's) and 3:30pm (U16's)

The gunners have been shooting with both barrels again this season and are up there with the top Academy clubs in the country. Coach PJ Brown, last years Academy coach of the year, will be cocked and loaded to avenge last years defeats by CDA teams.

**Sunday, February 27th**  
"MLS" Academy Real Salt Lake  
10am and 12:30pm

Real are one of the only academies to have a true residency program, which sees their players live together 24/7, combining school and soccer as part of their curriculum. Coached by former LA Galaxy Defender Greg Vanney, they have been "Real" busy racking up some big time results.
